YMCA Swim Lesson Policies and Procedures:

- In most cases, cancellation due to inclement weather will be made at the beginning of class, not before.
- The Pickens and Easley pools follow the same inclement weather policy; pool will close for 30 minutes upon hearing thunder or seeing lightning.
- Most sessions have 2 inclement weather make up dates set. However, the YMCA only guarantees 6 classes per session.
- Class duration depends on the age and abilities of the children. The younger children (3-5 years old) will average 25 to 30 minutes of instructional time per class while the older children (8-10 years old) may have a 45 minute class.
- Once a session has begun, if the child is pulled out of the class by the parents/guardians, the YMCA will only issue a credit. No refunds will be issued.
- The YMCA reserves the right to cancel any session for any reason. If this happens, a full refund will be issued promptly.
- Any children causing major disruptions in the class will be asked to consider private swim lessons.
- All questions, comments or concerns regarding swim lessons need to be directed towards the Aquatics Director.
