### **Ray Williams Agency Donates to YMCA**

Allstate-The Ray Williams Agency recently donated \$1,000 to the Pickens County YMCA's Share the Spirit Campaign. Share the Spirit funds scholarships for children and families that otherwise could not afford to use the Y's programs.

So far in 2010, the Pickens County YMCA has given out over \$90,000 in scholarships in the community. This donation helps the YMCA continue to serve those in need.

"The YMCA reaches out to so many in so many different arenas and really touches lives in a positive way. It is an organization where those involved with the YMCA really care," said Williams.

Williams is a prominent entrepreneur in the Easley community, contributing to many civic and community organizations such as Palmetto Bank Community Board of Directors, Pickens County YMCA Board of Directors, City of Easley Planning and Zoning Board, Easley Chamber of Commerce, and SHINE Soup Kitchen.
